### **Lanham Associates Named to 2016 President's Club for Microsoft Dynamics**

*-Microsoft recognizes Lanham Associates for outstanding performance-*

**Norcross GA, August 29, 2016:** *Lanham Associates, a Microsoft Gold Certified ERP ISV (Independent Software Vendor), has been named to the 2016 President's Club for Microsoft® Dynamics™. This achievement is a direct result of Lanham Associates' outstanding dedication to customer satisfaction through the delivery of innovative business solutions.*

President's Club honors high-performing partners for their commitment to customers, which is reflected in their business success and growth. This prestigious group represents the top 5 percent of Microsoft Dynamics partners worldwide. Membership is granted based on their continual, committed efforts aimed at offering solutions that meet the needs of their customers.

"We're honored to be named to the 2016 President's Club for Microsoft Dynamics. Delivering quality supply chain solutions and cultivating satisfied customers have always been priorities for us," said Lanham Associates COO, Mary Lanham.

This recognition of President's Club for Microsoft Dynamics came during Microsoft Worldwide Partner Conference (WPC) 2016, the annual premier partner event, which took place July 10-14 in Toronto, Ontario. WPC provides the Microsoft partner community with the opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills.

"Each year we recognize and honor Microsoft Dynamics partners from around the world for exemplary performance," said Frank Holland, Corporate Vice President, Microsoft Business Solutions Sales & Partners. "The award-winning partners clearly demonstrate their dedication to their customers' business success through their exceptional commitment and expertise. Microsoft is honored to recognize Lanham Associates for their achievements this past year and for their dedication and support of Microsoft Dynamics applications."
